

GET CONNECTED TO MARS FROM YOUR CLASSROOM

FREE DISTANCE LEARNING OPPORTUNITIES

These conferences will:

- *Provide you and your students with the opportunity to have direct contact with Mars scientists and specialists from Arizona State University's Mars Space Flight Facility*
- *Increase your background knowledge about Mars from the experts*
- *Generate interest in what you may research about Mars for real!*

How to participate:

- Fill out and submit the online ASU MSIP Conference Registration form available at <http://msip.asu.edu/msipregistration.html>.
- Once you have registered, you will be contacted about a week in advance of the conference with testing and connection information.
- Join in the day of the conference and learn more about Mars!

Requirements:

- These opportunities are open to classroom teachers and/or adult facilitators in the United States who have submitted an MSIP application and are working with a student group.

Participants must have the following:

- A speaker phone.
- An internet connected computer and/or a way to project a provided PowerPoint for students to view.

Join in for one or all of these conferences!

Tentative Fall 2010 Conference Schedule

- **October 7** — *An Introduction to MSIP* (for teachers only)
- **October 14** — *Earth/Mars Comparisons and an Introduction to MSIP*
- **November 4** — *Surface Features on Mars*
- **December 2** — *Mars Exploration Rover Update*

Most conferences will be offered from 3:00 – 4:00p.m. Eastern time. Teacher only sessions will be from 6:00pm – 7:00pm Eastern time. Times, dates, and topics are subject to change.

Join the fun and get involved!
